Solemn Assembly 2022

And they  
overcame  
him by the  
blood of the  
Lamb, and  
by the word  
of their  
testimony...

Revelation  
12:11

---

The witness of what God has done in the lives of others reminds us of how gracious and merciful our all-powerful and all-knowing God is.

---

We know God is the same yesterday, today, and forever more.

---

So, I might have been a little low about my situation but when I hear you confess and profess God's goodness in your life,

My faith is kindled, and

**I AM FIRED UP WITH HOPE!**

# Jeremiah 29:11

For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.

According to the commentary, the intent of Jeremiah 29:11 was not to convey positive thinking or promises of never suffering.

Instead, Jeremiah is saying the Word of God says, “The true hope is that God wills to bring us through all suffering. In the midst of it, God promises to enable us to endure, which calls for patient trust.”

In Jeremiah 29:10 it says after 70 years the Lord will visit and perform His good word.  
That is a long time.

---

God's rich word in Jeremiah 29:11 is healing,  
it sets me free,  
and I am delivered.

Our testimonies bear witness of God's promise to bring us  
through suffering even though it may be long,  
and His promise to enable us to endure it and still have peace.

Our testimonies, our witness – gives us hope  
because His plans are good (in alignment with His will)  
and not evil.

So – I look forward to the future that God has as my expected end.

# **3 P's For Great Testimony:** 1 Thessalonians 5:16-18

---

**PRAYER:** John 14:13

- Align your prayers with God's purpose

**POSITION:** Ephesians 5:20

- Be in a position of gratefulness/gratitude (thankfulness for everything God has done & is doing)

**PRAISE:** Isaiah 61:3

- Praise is a powerful weapon against the spirit of heaviness

**These 3 P's in full operation allow us to move beyond happiness to "joy", which God gives, and the world cannot take away – just like your testimony.**

A hand is shown holding a small green plant with several leaves. The background is a soft-focus image of many similar green plants, creating a bokeh effect. The overall tone is natural and serene.
